Softball Golf Outing a Success

We were delighted to host the Raymond James golf outing once again this year. Under the planning and supervision of BOD Vice President Bill McElroy and Jim Stecker and with the financial backing of Raymond James financial advisor Michael Garlisi this event was an absolute success. This truly entertaining and fun event featured nearly 30 club members participating in the golf tournament and over 80 attending the dinner and raffle. A big thank you also goes out to the many volunteers who help prepare, serve, and clean up the Lodge following this event.
